The people

CO2 Footprint yearly and compensation

Mobility

„1 flight messes up the whole climat footprint“

Webinars instead of flights, Bahncard, S-Bahn instead of car...

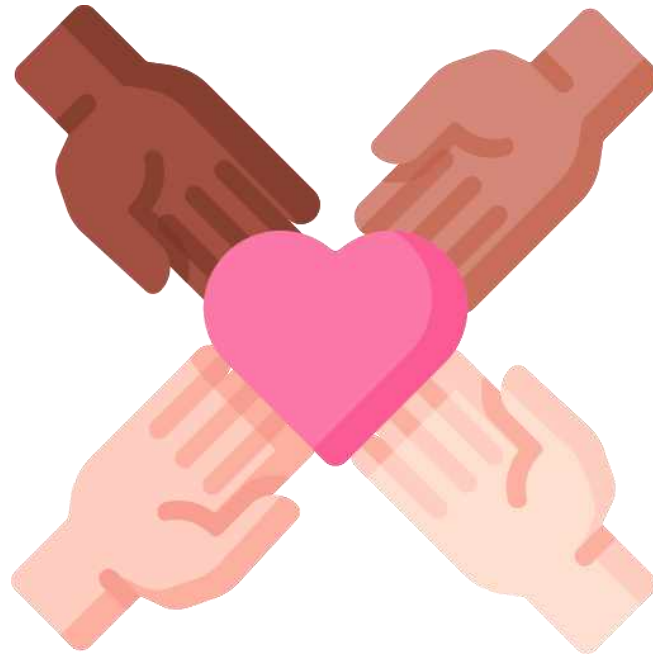

EWS green electricity and biogas, photovoltaics, insulation

Social, ecological and ethical financial investment

Sustainable everyday life

Bio, Gepa products, local shops instead of online shopping, envelopes made out of old maps, donating computer journals to the local library...

Energy-Consulting Allgäu: "In over 250 reviewed companies between Oberstdorf and Flensburg, the ecological ideal has never been carried out so inimitably and outstandingly as at QFS."

Yearly donations to local and global social and ecological projects

- Since 2019 every employee may decide where to donate 500 € for his or her project.
